APPLES

WE offer varieties you can grow in the South. By all means plant a nice apple orchard.

Early Harvest—Medium size, bright yellow flesh, juicy and sweet, good bearer. Ripens in month of June.

Red June—A beautiful early red apple. Sub-acid and fine for home or market.

Yellow Transparent—This variety is very popular and thrives everywhere, good size, beautiful color, sweet and juicy. Ripens in July.

Yellow Horse—A desirable apple for the south because it is a sure cropper, fine for cider, to eat or sell. Ripe August.

Yates—Not so large, but sweet, tender and juicy. Heavy producer and sells in all markets. In fact everybody knows how good they are. Ripe September and October.

Delicious—Very popular and does well in all sections. Large rich red, good keeper and sells high. Ripe late fall.

Stayman's Winesap—A large beautiful apple. Bigger and better than Winesap. It delights all who know about it and have it growing.

Terry Winter—This fine apple originated in Georgia and a splendid fall variety.

Grimes' Golden—Very popular and sells in all markets. A thrifty grower and good bearer.

Shockley—An old standby for the south. Good size and succeeds in our Southern soils.

Prices of Apple Trees: 3 to 4 feet 35c each; \$3.00 dozen; \$20.00 100

PLANT PLUMS

Entire crop sold at \$4.50 per crate. Easy to grow, prolific and profitable.

Abundance—Ripe in June. Large, juicy and sweet, very heavy bearer and profitable.

Red June—A wonderful money maker, prolific, large, bright red, keeps and sells well.

Excelsior—Native and Jap. A thrifty heavy bearer, large red and ships well, profitable.

Burbank—A good shipper and bears heavy.

Damson Gold—Dark golden, sweet and nice.

Price Trees: 3 to 4 feet 35c; \$3.50 dozen; \$28.00 100.

PEARS PAY WELL

Keifer—A never failing large yellow pear. Ripe in fall. Keeps well, sweet and juicy.

Garber—Oriental origin, large yellow and prolific. Ripe in September. Very profitable.

Le Conte—Ripe July and August. Sweet, tender, good bearer.

Prices above: 50c; \$5.00 dozen; \$33.00 100.

Bartlet—Very fine sweet, tender August pear.

Pineapple—Blight proof, sand variety, heavy bearer.

Price: 75c each; \$8.50 dozen.

MULBERRIES

Hicks Everbearing—Best of all for stock and poultry. Ripe May to Fall. Very prolific.

Price: 3 to 4 feet 40c; \$3.50 dozen.

FIGS

Celestial—Sweet and tender, prolific.

Brown Turkey—Large, fine flavor, prolific bearer.

Plant Figs, can them, they sell high.

Price Trees: 40c; \$4.00 dozen; \$30.00 100.

CHERRIES

Early Richmond—Early and sub-acid, fine for pies. Red.

Black Tatarian—Best sweet black. Ripe 15th May.

Price: 75c, \$8.00 dozen.

RASPBERRIES

Cumberland—Best Black.

St. Regis—Very fine Red. Bear and sell well. Be sure to plant some.

Price: \$1.25 dozen; \$7.00 100.

Himalaya Berry and Lucretia Dewberry.

These are fine for home and are profitable.

Price: \$1.00 dozen; \$6.00 100; \$35 1000.

BIG MONEY IN GRAPES

THE South grows the finest grapes in the country. The varieties we offer are adapted to our soils, they bear at two years old and increase to 10,000 pounds acre that sell 10 to 20 cents per pound. Ready sale in all local and large markets. 800 vines to the acre.

Concord—A beautiful blue-black (bunch kind) sweet, very prolific and uniform bunches.

Niagara—Cream color, with large bunches, sweet and delightful. A sure cropper.

Moore's Early—Like Concord but week earlier, not quite as heavy bearer.

Delaware—A small fine flavored pinkish grape, prolific and does well in our soils.

Scuppernong—This is a popular muscadine type, cream color, very prolific sweet and tender.

James—A muscadine type, black sweet and delicious. One of the finest black varieties.

Prices: 30 cents each; \$3.00 a dozen; \$20.00 for 100.

PLANT PEACHES FOR HEALTH AND PROFIT

CHOICE peaches can be grown on practically any soil in the south not too low and damp. Select slightly rolling loam and clay underneath. Our varieties are the best adapted and acclimated. Plant for market and grow rich, or a few hundred for home and local market. You can knock-out insects. We will tell you how to grow perfect peaches.

Mayflower—Ripens in May. Medium size, good red color, very prolific and profitable.

Red Bird—Semi-cling a beauty, very early and profitable. Heavy bearers.

Carman—Second early large sweet pink and cream color, free stone, very fine. Ripe June 15th to 25th.

Hiley—One of the great money making varieties, enormous bearers. Beautiful, free stone, bright red color, holds its color long and valuable for

market. Ripens June 15th to July 1st.

Georgia Belle—One of the finest kinds to eat from tree or with cream. A great money maker and has made millions of dollars for growers in the South. Originated by Hon. Lewis A. Rumph of Houston County, Georgia. Ripens July 5th to 20th. Fine freestone large pink and cream color. Sure to plant largely.

Elberta—This needs no boosting. Very large yellow freestone, ships well and a fortune maker. Ripens July 10th to 25th. Originated by Samuel Rumph of Houston County, Georgia.

Henrietta—Large golden yellow, freestone delightful flavor and good seller in market. Ripens August.

Heath Cling—White and pink cheeks, large, sweet and delicious to eat or put up. Ripens August.

Idian Blood—A good peach for late summer.

Krummel's October—One of the best late peaches. Large and sweet, try a dozen and more for market.

Salway—A very choice late peach, large, sweet, freestone and admired by everyone. Price of Trees: 3 to 4 feet 30 cents each; \$3.50 a dozen; \$20.00 for 100.

Write us for prices on 1000 lots and over commercial plantings.

Plant Paper Shell Pecans For Profit

Plant now---have income for life. \$40,000.00 refused for 14 acres twenty year old trees. Our trees bear at 3 to 5 years old. Whole roots, vigorous tops from bearing trees. Place orders now, trees scarce.

Stuart—The King of all pecans. This variety has not a single fault. Vigorous grower, heavy bearers, nuts fill out well, thin shell and sweet meat. Sells 50c to \$1.00 a pound in the market.

Schley—The Queen of pecans. The rich meat and thin shell makes this nut sell at fancy prices. Good grower and uniform bearer.

Moneymaker—Very heavy bearer often seven nuts to a cluster, meat sweet and fills out, shell not as thin as Stuart.

Success—A good nut and sells well.

Price Trees, Whole Roots: 1 to 2 feet 60 cents; \$6.00 dozen; \$45.00 100. 2 to 3 feet 80 cents; \$8.00 dozen; \$60.00 100. 3 to 4 feet 90 cents; \$9.50 dozen; \$75.00 100. 4 to 5 feet \$1.00; \$10.50 dozen; \$85.00 100. 5 to 6 feet \$1.25; \$14.00 dozen; \$110.00 100.

FLOWERING BULBS

Peonies—A beautiful bush like rose, pink and white. Strong plants 60c; \$6.00 dozen.

WONDER MEXICO TUBEROSES

One of the finest cut flowers grown. Long stems, large trusses of snow white blossoms, keep well and are fine for cutting. Flowers are at top of stems space of 6 to 8 inches. Very rare and new. Easy to grow.

Price Bulbs: 10 cents each; 75 cents dozen; \$5.00 100.

LOQUAT JAPAN MEDLER

Small evergreen tree 5 to 8 feet high, leaves, quite ornamental, masses of lovely creamy sweet flowers. Very early in spring if protected. Ripen a delicious fruit like plums

Price Nice Bushes: 75 cents; \$8.00 dozen.

SATSUMA ORANGE

A hardy kid skin, tangerine type, bears heavy crops, delightful to eat. One tree ripened 288 fine oranges at Marshallville, Ga., in open yard. Trees budded on Citrus Trifoliata roots, practically cold-proof. Large groves paying rich returns South Georgia and Alabama. \$1.00 to \$5.00 each

KLONDYKE STRAWBERRIES

The most wonderful berry, grown in the South. Hardy prolific, stands weather conditions, early with season of two months, very profitable. Bear some first season set February or March. Second year pay \$300 to \$500 acre. Easy to grow 10,000 to acre.

Price good plants: 100 postpaid, \$1.00 500 \$3.00; 1000 \$4.00; 10,000 to 50,000 \$3.00 per 1000. Send orders now. We will tell you how and when to plant.

EARLY HARVEST BLACKBERRIES

This crop will pay you more money per acre than ten times as many in corn or cotton. Very prolific, early ship and sell well all markets. A real quick money producer, try an acre.

Price plants: \$1.00 dozen; \$6.00 100; \$40.00 1000.

FLOWERING SHRUBS

Oleander—One of the most desirable plants. Very ornamental and lovely pink or white flowers, a lovely lawn plant. Price large bushes 75c; \$8.00 dozen.

Cape Jasmine-Gardenia—A beautiful evergreen shrub, large sweet white flowers. Price: 75c; \$8.00 dozen.

Crepe Myrtle—A grand flowering dwarf tree, pink, red, purple, white. Price: 50c; 12 for \$5.00.

Deutzia—Pride of Rochester. A fine bush, drooping effect, covered in spring and early summer white and pink flowers. Sure to plant some. Price: 50 cents, \$5.00 dozen.

Sweet Shrub—Strawberry shrub; a pretty bush full of pink flowers, odor of strawberry in spring. Price: 50c; \$5.00 dozen.

Butterfly Bush—Ornamental plant. Blooms entire summer, lilac spikes, sweet odor, 50c.

Hydrangea—Lovely flowers, large trusses and hard to beat as a shrub or flower producer, pink and white 50c each.

Double Flowering Crab—A great little tree and has a mass of double pink blossoms. \$1.50 each.

Pittosporum—Beautiful evergreen flowering bush 75c.

Banana Shrub—Very popular. Price: \$1.50 each.

Camelia Japonica—All colors, scarce, \$1.50 to \$10.00.

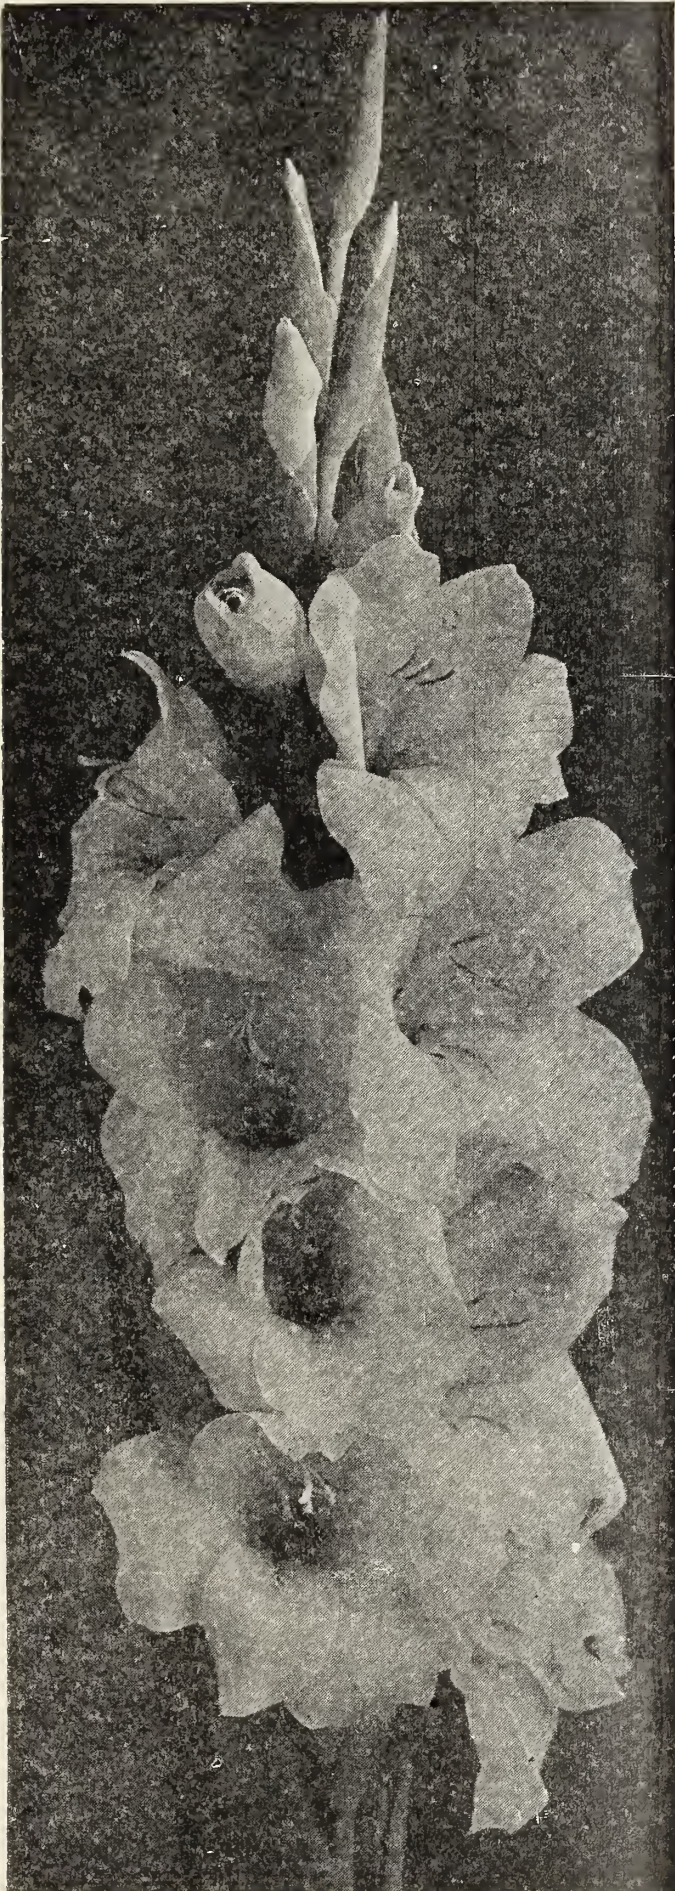

Red Bud—Small tree, drooping grape leaves, lilac flowers, early. A grand flower 50c, \$5.00 dozen.

Citrus Trifoliata—Hardy orange, lovely foliage, white flowers, golden fruit 50c, \$4.00 dozen, \$25.00 100.

Sweet Pea Bush—Dwarf bush great pea shaped pink flowers. 50c, \$5.00 dozen.

LOVELY GLADIOLI "America" First

THIS flower is easy to grow and our bulbs produce long spikes of the finest flowers. For cut flowers nothing is

prettier. Sure to try a dozen of our gladioli you will never regret it. Our bulbs are acclimated and the best grown.

America—The queen of all gladioli, early, thrifty, long stems 2 feet with 12 inches of lovely, wide open, soft, pink blossoms. Can be cut and will keep week or ten days. Try a dozen. Price 15c each, \$1.00 dozen postpaid.

Mrs. Frank King—The best crimson gladioli grown, vigorous, easy culture, long stems and open flowers. You will never regret ordering a dozen of these. Price 15c each, \$1.00 dozen postpaid.

Chicago White—The grandest white grown, very early, wide open blossoms, white with lavender throat. For cut flowers it is wonderful. Price 20c each, \$1.25 doz. Finest mixes 75c doz.

Send us your orders for next season cut flowers.

ABELIA GRANDIFLORA

The most popular and beautiful of the flowering evergreen shrubs, flowers from spring to frost, white with pink center, foliage drooping glossy green small leaves. For groups or around the verander it is worth its weight in silver—very attractive and dainty. Stock scarce; send us your orders now. Price 3 year large plants \$1.00 each, \$10.00 dozen. Smaller plants 40c, \$4.00 dozen; 6-inch rooted small plants 20c, \$2.00 dozen. Field grown plants.

Althea, Camelia Flowering—Camelias are scarce, in fact this Japonica is practically off the market—our lovely double Altheas are just as pretty and easy to grow and will delight every home owner. They bloom early to late.

Joan of Arc—Pure white, very double free bloomer and a valuable kind.

Peoniflora—Large flowers, white with cherry red center. A beauty.

Amplissima—Double, rich dark rosy red, free flowering and thrifty.

These shrubs will prove very valuable to you. Prices, well rooted bushes 50 cents each, \$5.00 dozen.

BEAUTIFUL CANNAS

Giant Flowers April to Frost.

THE most beautiful flowers and foliage. Beds of our magnificent orchid flowered cannas on your lawn adds 500% to the beauty of your home. This is a specialty with us and our fields on the big highway are greatly admired. Let us make up your selection and you will be pleased.

King Humbert—Bronze foliage and stems 3 feet tall with great clusters of rich crimson flowers 6 and 8 inches across, nothing prettier.

Price each postpaid, strong crowns, 20c, \$1.25 dozen, \$8.00 per 100 by express.

Madame Crozy—A lovely green foliage, stems 3½ feet, gaint trusses of flowers orange border with salmon scarlet center, very attractive. Price 15c each \$1.00 dozen, \$7.00 per 100 by express.

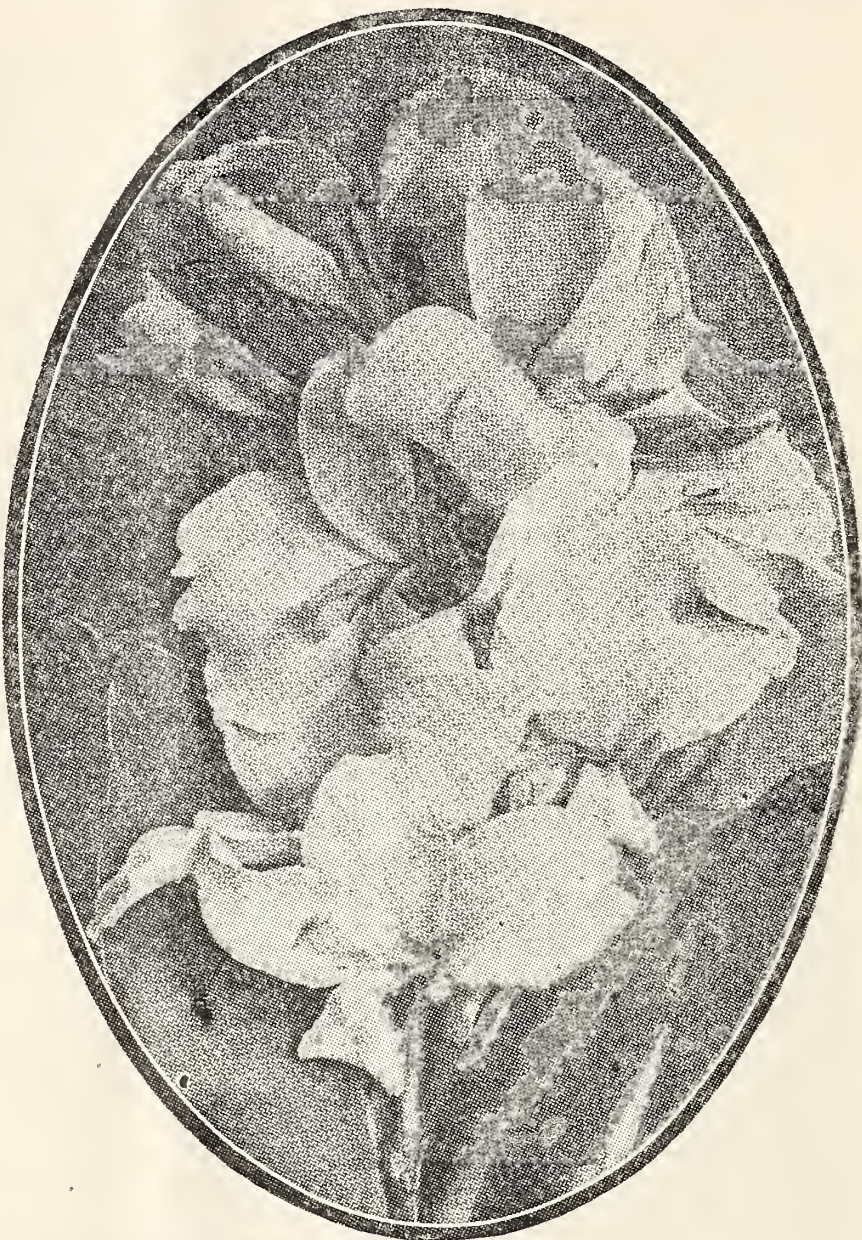

Canary—A bright lemon solid color on green foliage and 3 feet stems, large flowers. Same price as Madame Crozy.

Hungaria—A lovely pink small splash cream in center, green foliage and very rare. Price 20c each, \$1.50 dozen postpaid

Eureka—The most lovely white canna grown today, green foliage and giant trusses of lovely flowers. Price 20c each, \$1.50 dozen postpaid.

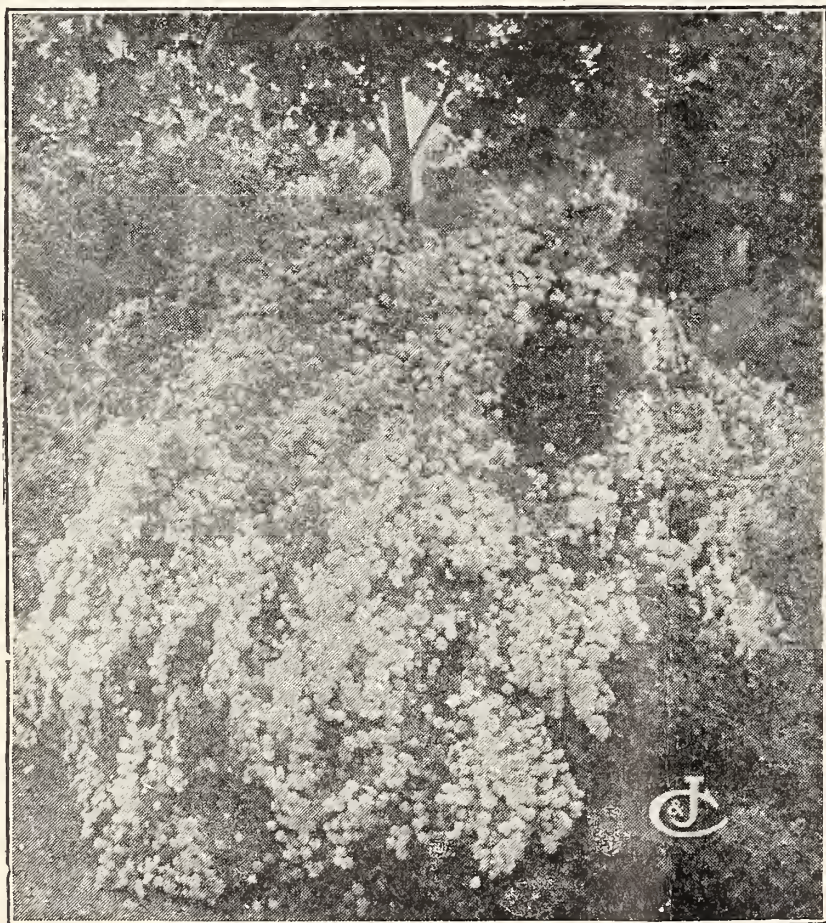

President—Dwarf, heavy green foliage, very large trusses of giant bright scarlet, very attractive. Price 20c each, \$1.50 dozen.

City of Tennille—A new variety of immense clusters of rose pink, soft and delightful to behold, 3 feet light green foliage. Price 20c each, \$1.50 dozen.

WEGELIA—Rosea

This is like Hydrangea in shape and habit, drooping shrub, very ornamental and

covered in spring and summer with great masses of pink bell shaped blossoms. One of the most attractive lawn and yard bushes grown today; by all means plant a lot of wegelias. Price, large 2 year bushes 60c; \$5.00 dozen. 1 year 40c, dozen \$3.00.

SPIREA—Van Houttei

The picture to the left is but a faint representation of this wonderful shrub. Perfect masses of snow white flowers in spring on an ovalshaped bush 6 feet across, foliage is lovely, drooping effect. For hedge or specimen on lawns is simply grand to behold. Large 3 year bushes 75c, \$7.00 dozen. 1 year nice plants 35c, \$3.00 dozen.

ANTHONY WATERER, Pink Spirea

Dwarf shrub covered all summer, small pink blossoms, lacelike foliage. Price 60c, \$6.00 dozen.

ASPARAGUS

PALMETTO ASPARAGUS

Sure, safe, reliable money crop. There is no vegetable grown to surpass asparagus. It is liked by nearly everyone, so delicate. Comes early in spring and is the highest priced vegetable sold in cans, often sells as high as \$1.50 to \$2.00 per pound early in the large markets.

It requires a soft top soil with clay underneath, slightly rolling, planted for market 6 feet rows about 2 feet in drill, 3500 crowns to one acre. Once set produces crops 25 years. Ready to cut March and can be cut every other day for sixty days. Best not to cut until after second year.

Price choice 1 year crowns, 100 \$1.00; 1000 5.00, 10,000 lots \$4.00. 2 year \$7.00 1000. Order now, plant January to April.

Plant Shade Trees

WILLOW LEAF OAK

This beautiful tree grows fast, erect, and bushy shape, practically evergreen and is lovely tree on lawn, yard, street or any place.

CATALPA SPECIOSA

A fast growing tree, bushy and ornamental, lovely flowers in spring. Raise your own fish bait, the "Catalpa worm." Also grown for posts. Elegant shade trees.

LOMBARDY POPLAR

This tree is grand, tall graceful and for any place is a beauty.

White Flowering Dog Wood. For lawns, backing and borders this tree has no equal. A mass of white flowers in spring and a lovely tree at all seasons of the year.

COMPACT SHORT NEEDLE PINE

One of the most beautiful evergreen trees for lawn or any place, bushy and compact. Price large trees \$1.00 each, \$10.00 dozen.

Georgia State Board Entomology
Official Certificate of Inspection of Nursery Stock.

To Whom It may Concern:

This is to certify that in accordance with an act of Assembly approved Dec. 20, 1898, the nursery of THE RUMPH NURSERY, at Tennille, Ga., was inspected on Sept. 17, 1923, and the stock grown in said nursery found apparently free from San Jose scale and all other insects and diseases of a seriously injurious nature and that aid nursery is properly equipped for fumigating.

Signed—IRA W. WILLIAMS State Entomologist

Atlanta, Ga., Oct. 15, 1923.
